Educational Offering	<p>"Shooting in the ED Waiting Room" In November 2011, gunshots were fired in the ED waiting room of Bronx Lebanon Hospital. The Nursing Staff involved in this incident presented on the events of that day.</p> <p>This was a very interactive session with lively discussion regarding preventing these events (how can we protect ourselves and our patients), recognition of potential incidents and partnering with security.</p>	The entire meeting was devoted to the educational session. The Manhattan Bronx Chapter would like to thank the Nurses and staff from Bronx Lebanon for presenting on this very emotional topic.

Respectfully submitted,
Meg Barry
