	<p>Meeting called to order at 5:45 pm This was an encore presentation by Asst Commissioner Kevin O'Connor. He presented in June at NY Presbyterian Hospital and the presentation was so enlightening to those who attended that we asked him to speak to the Bronx ED nurses.</p>	
Educational Offering	<p>"Gangs of New York "- This riveting presentation by Kevin O'Connor, Assistant Commissioner of the Juvenile Justice Division is a 'must attend' for all NYC Emergency Nurses as well as all ED Nurses. Asst Commissioner O'Connor is explained that the current gangs in NYC are not the traditional gangs with gang hierarchy and leaders. The nontraditional gangs of today do their communication using the social media to describe their activities.
